

Castmen Electronics LLC

Supplier Terms and Conditions Handbook

Document Number: STC-001

Revision: 1.1

Effective Date: 9/30/2025

Approved By: Cole Goodchild, CEO

1. Purpose

This handbook defines the minimum requirements for suppliers providing products or services to Castmen Electronics LLC. These terms and conditions flow down **AS9100D requirements**, regulatory obligations, and customer-specific requirements. Suppliers must comply with these requirements when accepting purchase orders.

2. General Requirements

Acceptance of Purchase Orders

- Acceptance of a Castmen Electronics purchase order constitutes acceptance of these terms and conditions.

Quality Management System

- Suppliers shall maintain a quality management system compliant with AS9100, ISO 9001, or equivalent.
- If not certified, suppliers must demonstrate effective quality controls subject to Castmen Electronics approval.

Right of Access

- Castmen Electronics, its customers, and regulatory authorities reserve the right of access to supplier facilities and applicable records related to products, processes, and services provided.

3. Product/Service Requirements

Conformance to Requirements

- Suppliers shall ensure that products and services conform to all drawings, specifications, and purchase order requirements.

Documentation and Certifications

- Certificates of Conformance (C of C) are required with each shipment, referencing purchase order number, part number, revision level, and applicable specifications.
- Special processes (plating, heat treatment, soldering, etc.) must be performed by approved sources and documented accordingly.

Calibration

- Calibration services must conform to ISO 17025 or equivalent, with traceability to NIST or other recognized standards.

Counterfeit Parts Prevention

- Suppliers shall prevent the delivery of counterfeit or suspect counterfeit parts. Processes for authenticity verification and obsolescence management are required.

Flow-Down Requirements

- Suppliers shall flow down all applicable requirements (including customer, statutory, and regulatory) to their sub-tier suppliers.

Change Notification

- Suppliers shall notify Castmen Electronics of any changes in product, process, suppliers, or manufacturing location that may affect quality, and obtain written approval prior to implementation.
-

4. Delivery and Performance Requirements

On-Time Delivery

- Suppliers shall deliver products and services on the date specified on the purchase order. Any anticipated delays must be reported immediately.

Nonconforming Product

- Suppliers must notify Castmen Electronics immediately of any nonconforming product.
- Nonconforming product may not be shipped without written approval from Castmen Electronics.

Corrective Action

- When requested, suppliers must provide timely corrective action responses using structured problem-solving methods (e.g., 8D, 5 Whys).
-

5. Records and Retention

Retention

- All quality records (e.g., inspection reports, test results, C of C, special process records) shall be retained for a minimum of **10 years**, unless otherwise specified by Castmen Electronics or its customers.

Disposition

- After retention, records shall not be destroyed without prior written approval from Castmen Electronics.
-

6. Ethical and Compliance Requirements

Ethical Behavior

- Suppliers shall conduct business ethically and in compliance with all applicable laws and regulations.
- Employees must be aware of their contribution to product conformity, product safety, and the importance of ethical behavior.

Awareness and Competence

- Suppliers shall ensure their employees are trained and aware of:
 - Their contribution to product quality and safety
 - The importance of ethical conduct
 - The risks of counterfeit parts

Conflict Minerals and Human Trafficking

- Suppliers shall ensure that products supplied to Castmen Electronics do not contain conflict minerals (tin, tantalum, tungsten, and gold) sourced from regions that finance armed conflict or human rights abuses.
 - Suppliers must maintain due diligence processes consistent with the OECD Due Diligence Guidance for Responsible Supply Chains or equivalent.
 - Suppliers shall not engage in, support, or tolerate human trafficking, slavery, or forced/child labor in their supply chains.
 - Upon request, suppliers shall provide evidence of compliance and corrective action if risks are identified.
-

7. Customer and Regulatory Requirements

Special Requirements

- Suppliers must comply with all additional requirements imposed by Castmen Electronics customers when flowed down via purchase order.

Export Control

- Suppliers must comply with all applicable export control regulations (e.g., ITAR, EAR).
-

8. Right to Verification and Audit

- Castmen Electronics reserves the right to perform audits or source inspections at the supplier's facility, with reasonable notice.
-

9. Revision Control

- Castmen Electronics may revise these Supplier Terms and Conditions at any time. The current version will be provided with purchase orders or made available online.
 - Suppliers are responsible for ensuring compliance with the latest revision.
-
